REQUESTING DONATIONS FOR *GIFTS* OF *HOPE*

You can support a child's *healing and growth* through the Healing Patch Children's Grief Program!

The Decades Club Reverse Raffle Drawing and Evening of Dancing thru the Decades is a fun, casual evening to support the grieving children in our region.

Your generosity in donating a gift card, item, or basket can play a part in a child's journey of healing after the death of a loved one. Will you please help to ensure the continuation of this vital (and *FREE*) program available to our community?

Please complete the form below regarding total value, as required by the PLCB. Your support will be acknowledged at the event . . . *and in the positive forward-looking futures of children.* THANK YOU!

HEALING PATCH

A Children's Grief Program

The Healing Patch provides peer-to-peer support for children (and their families) who have suffered a loss.

One in five children will suffer the death of someone they love by age 18.

All Decades Club proceeds will directly benefit the Healing Patch, which is staffed by community volunteers and serves a young population that is often overlooked.
