

# HEALING PATCH

A Children's Grief Program

For more information, please visit [homenursingagency.com](http://homenursingagency.com), or call 1-800-445-6262.

The Healing Patch Children's Grief Program is a free peer support program that serves grieving children and families in West Central Pennsylvania. Through the Healing Patch, children who are dealing with the death of a loved one can connect with other children who have had similar losses - together, they can find that hope and healing are possible. The Healing Patch is a free service.

*Artwork by Healing Patch participant Ryaleey, age 11.*

*“Keep your memories close because they help when times are tough.”*

-Connor, age 14
